The Lancer Nation — "One Program"

The Brookfield Central Lancer Football Program has a long and proud tradition of excellence. Coach Meulemans championed the one football program theme in his first year as head coach to reinforce the importance of both the high school and Junior Lancer programs working together in unison. It's his vision that with this cohesive one program approach, the Lancer Nation will continue its excellence.

“The will to win is important, but the will to prepare is vital.”

Coach Joe Paterno

This camp will stress character, proper attitudes, teamwork and skills development. These are the key ingredients to your success as a football player. Be assured, this is not a conditioning camp—but a camp designed specifically to improve your abilities as a winning football player.

All camp sessions are staffed by our BC high school coaching staff, as well as former players.
